WORK EXPERIENCE

12/09/2024 – 20/12/2024

Fullstack Developer Intern Real Solutions

During my internship, I worked intensively, focusing on SQL fundamentals, C# object-oriented programming, Entity Framework, and the Dev Architecture framework. I gained hands-on experience with database management, learned advanced programming concepts and explored clean architecture principles for building scalable applications. Additionally, I developed and deployed a project using Angular and .NET Core, solidifying my understanding of web application development and software engineering best practices.

21/07/2023 – 25/08/2023 Türkiye

Web Developer Intern Ozkan Demir Celik

I developed shubar.com.tr and ozkantech.net websites by creating websites for electric vehicle development projects, ui/ux designs and placing appropriate elements for the relevant project. I organized the performance of the site and various improvements according to the feedback I received by attending daily meetings.

15/07/2021 – 18/09/2021

Web Developer Intern KABI Partners

During my internship, I gained hands-on experience in both the sales and software departments, starting with an introduction to the company's structure, sales strategies, and agile workflows. Using Atlassian JIRA, I tackled tasks like resolving technical issues, designing user interfaces, and coding web pages for dugunbuketi.com, yuvanikur.com, dugunyardimcisi.com, ceyizlistem.com, while contributing to four company websites. Daily meetings with experts and collaborative teamwork helped me develop skills in front-end development, UI/UX design, WordPress, and plugin customization. I conducted research, presented solutions to senior developers, and enhanced my problem-solving abilities through collaboration, making it a highly valuable learning experience.

EDUCATION AND TRAINING

09/2018 – 12/2025 Türkiye

Bachelor Student Düzce University

Website https://duzce.edu.tr/ | **Field of study** Computer Engineering

09/2023 – 07/2024 Gdansk, Poland

Exchange Student Gdansk University of Technology

Website pg.edu.pl | **Field of study** Data Engineering

LANGUAGE SKILLS

MOTHER TONGUE(S): Turkish

Other language(s):

English

Listening B2		**Spoken production** B2	
Reading B2		**Spoken interaction** B2	
Writing B2			

Polish

Listening A1
Spoken production A1
Reading A1
Spoken interaction A1
Writing A1

German

Listening A1
Spoken production A1
Reading A1
Spoken interaction A1
Writing A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DIGITAL SKILLS

HTML5/CSS, Javascript ┊User Interface & User Experience Design ┊Bootstrap ┊Java ┊SQL ┊Object-Oriented Programming ┊JavaScript ┊FIgma ┊C / C++ / C# ┊Python Language - Basic knowledge ┊Basic Knowlege of PHP/ MySQL ┊Node.Js, React.Js ┊React, Next.js, React Native ┊Javascript, TypeScript ┊Artificial intelligence base ┊.Net, .Net Core, .Net Framework

HOBBIES AND INTERESTS

Mountaineering

I have been a mountaineer for 6 years

Games

Tabletop, Video Games and Game Design

Art

Music, drawing and painting, writing

Voice Acting

In my spare time I work as a freelancer voice actor

Psychology and Philosophy

I make researches in various topics and used to make many podcasts

PERSONAL TRAITS

Let me talk a little bit about myself

• I learn easily
• I am compatible with teamwork
